April

KNITTING

DOODLE YOUR OWN SOCKS

with Instructor **Maria Daigle**

Who doesn't love to doodle? For this class we will be working through doodling our socks. Every student will make something a little different. Pacific Knit Co has created a new product called Doodle Decks which contain a variety of different doodles that be incorporated into your knitting. Students will use these doodles to create their own unique socks while learning to make socks with an afterthought heel.
