

HOLYOKE CREATIVE ARTS CENTER

Preserving traditional decorative arts and crafts for over 100 years

NEW!

Instructor: Sue Desnoyers

Hand Building with Clay

Unleash your creativity with clay!

Hand-built clay refers to pottery created using methods like pinch, coil, and slab building, which rely on hands and simple tools rather than a potter's wheel. It is an ancient and versatile technique used for creating a wide range of objects. Students pick their own project (e.g. mugs, bowls, vases, pots for plants).

Fridays

January 9, 16, 23, 30

10:00 AM - 1:00 PM

Cost:
\$165.00

Includes:
